

## At-Home Vacation Bible School • July 13-17, 2020

This year Pohick will have a **virtual** At-Home Vacation Bible School program due to the Covid-19 virus. Volunteers and staff will miss seeing all the children sing, laugh, learn, and grow together this summer at VBS. Still, Pohick hopes it can offer children, ages 3 years to 6th grade, the very best alternative with this At-Home VBS program, *Knights of North Castle!*

Parents and guardians have the most important role in helping children understand how they are loved by God and by their family and friends. Family and friends guide children's spiritual growth and formation. Thanks to all who take that role of daily discipleship, and thanks for helping Pohick create the best VBS program possible! Adult leadership and supervision in just a few of the activities will make all the difference.

Families have been busy adapting to new routines the past few months, so the VBS staff will make this as simple as possible! The details of the curriculum are still being worked out but will be available mid-June. This will include a video on a virtual platform with the opening and closing skits, music, and craft and science demonstrations. Simple step-by-step guides will be provided to assist in the videos and take-home packets for crafts and science projects will be provided for each day. Staff will contact families with information when to pick up the packets containing the craft/science projects, student papers, music cd, and other goodies! The Knights of North Castle have an exciting quest ahead!

Preregistration is required, so please fill out the form below and mail to Pohick Church at address provided. *Please note that registration can also be done by email!* Send email to FrancesSessums1@gmail.com and provide all the information listed below. **ALSO** please read the **Consent to Use Photographs of Minors** on page 8 and include your consent choice in the email. Email or call Frances Sessums with questions, 703-472-5180.
