

In the year 2024, we celebrate the 250th anniversary of the Pohick Church building completed in 1774 and still in use today as a church with an active and vibrant congregation.

Two men, George Washington and George Mason, were prominent in the formation of the United States of America and also in the building of Pohick Church. Each of them was driven by the principal which was later expressed as “One Nation Under God.” Today we continue to worship and serve the community as we celebrate the 250th anniversary of Pohick Church.
